Developer valued for driving high-performance accessible web experiences. I design quality, user-friendly, and scalable products regardless of stack.

⚙️ Work Experience

Frontend Web Developer at TrimCreative

July 2023 – Present | Belgrade, Serbia (Part-time)

- [BuyForDrive](#) – Created whole UI/UX for Web application where users can buy, sell, and explore various cars. It consists of about 10 different screens. Implemented Google and credentials login and register logic. Created the structure of the MongoDB database and connected it through the backend part of the application.
- [TrimCreative](#) – Designed and developed the entire UX/UI of the company's marketing site. Built custom and outstanding page transitions. Collaborated closely with the design team to create an attractive UI.

Quality Assurance Tester at DVP d.o.o.

Aug 2023 – Present | Belgrade, Serbia (Full-time)

- My primary responsibility revolves around ensuring the flawless functionality of applications. I meticulously test and conduct comprehensive quality assurance assessments to guarantee smooth operations and identify potential bugs or issues before deployment.
- By leveraging my expertise in the software and strong communication skills, I effectively convey customer insights from our approximately 300+ active users of the software to the development team.

Customer Experience Specialist at DVP d.o.o.

Jan 2023 – Aug 2023 | Belgrade, Serbia (Full-time)

- I actively collaborated with 20 companies and provided technical support to over 100 users. I adeptly troubleshooted and resolved a wide range of hardware and software issues, ensuring the seamless operation of all systems within the organization.

Freelance Frontend Developer

Aug 2022 – Mar 2023 | Remote (Full-time)

- [MobilneDizalice](#) – Designed and developed the entire UX/UI of the website for a startup company, using Figma and React. Collaborated closely with the client to understand business goals and design preferences.

⚙️ Soft Skills

👤 Personality

- I thrive in collaborative environments and believe that the best results are achieved through teamwork.
- I am driven by a passion for creating impactful and innovative solutions.
- I have a natural curiosity and love to learn new things.
- I own my work and am committed to delivering high-quality results.

🗣 Languages

- Serbian (native)
- English (learned during high school)
